The 5 Steps of Handwashing

1. Scrub Club Fans now do your part.
   Wet your hands right from the start.

2. With Slick the soap
   the germs slide off.
   You don’t want to sneeze and cough.

3. Now scrub your hands
   and fingers too.
   Have some **Patience**, Scrub Club crew.

4. Water will **Carry**
   the germs away.
   Rinse your hands the Scrub Club way.

5. **Buff** your hands
   all dry and clean.
   Those germs are gone.
   Good job, team!
