The Issue at Hand

Kids’ hands are the perfect way to spread germs around the classroom and at home. They can contribute to the millions of school days lost to illness each year. The solution? Become a Scrub Club® hero! Kids you can fight germs by keeping their hands squeaky clean!

Five Steps of Handwashing

1. Wet your hands.
2. Apply soap.
3. Scrub your hands for 20 seconds.
4. Rinse well.
5. Dry your hands.

Help the Scrub Club® Heroes Unite

To raise awareness of the importance of handwashing, and to make it more fun for kids, we launched the Scrub Club® in 2007. We provide fun and educational activities that teach children the proper way to wash their hands, and resources for adults, whether as teachers or parents, helping guide kids through our site or as media professionals interested in covering the topic.
